Help Hub

Support for UNISON members looking for advice and guidance on coronavirus in the workplace.

UNISON members are on the front line treating patients in hospital, delivering care in our communities, providing support to children in schools and keeping our public services running in a national crisis. Your union stands ready to support you.

We have set up a dedicated regional Help Hub for members looking for support, guidance or advice in relation to COVID-19 (Coronavirus).

The Help Hub will be staffed **08:00 to 22:00 Monday to Friday** with cover for emergency queries at the weekend. If you are unable to contact your local branch or rep please contact the regional hub

You can contact the hub via UNISON@help-hub.co.uk or on message on Facebook.
